

**Colorado
Learning
Connections**

Tutoring · Homeschooling · Educational Consulting

**Whatever your student needs,
Colorado Learning Connections has
the solution.**

With over 25 years of combined
teaching experience, our staff has
what it takes to help your child
succeed.

We serve all ages, pre-kindergarten
through adult, and work with you
to develop an individualized
program designed to meet *your*
goals.

In addition to our enrichment
workshops and tutoring sessions,
we work with a number of athletes,
musicians, and other students to
develop educational programs that
suit their unique academic and
scheduling needs.

For more information on any of our
programs, please visit our website:

COLORADO LEARNING CONNECTIONS

**COLORADO
LEARNING
CONNECTIONS**

***Fall Enrichment
Workshops***

**Dates:
September 19–
December 14**

699 Summit Blvd.
Frisco, CO
(970) 668-0954
www.clcsummit.com

**International Playground:
K – 1st Grade**

Come and play as we explore games and dances from around the world. Students will learn about the cultures and activities of kids in other countries. “Travel” the playgrounds of a different continent every week to learn the ways that our neighbors play. Join us for this exciting journey!

Times: 4:30-6:00; Thursdays - Oct. 4-25

Cost: \$120.00

Class Limit: 3-8 students

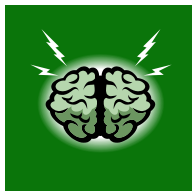

**MindBlazers
4th-5th Grade**

Push your brain to its outer limits! In this workshop, students will build advanced math and science skills through both individual and team projects - it's going to be a blast! We'll be using physics, algebra, geometry, and much more to design experiments and solve problems. This workshop is designed for 4th and 5th graders who are seeking a challenge—please call to find out if MindBlazers will be a good fit for your student.

Times: 4:30-6:00; Wednesdays - Sept. 19 - Dec. 12, no class on November 21

Cost: \$350.00

Class Limit: 3-8 students

**Imagine the Universe:
2nd – 4th Grade**

Let's investigate the universe! Learn about our moon, stars, and galaxy—what's up there, and how does it affect our lives? We'll explore astronomy and the constellations, keep a moon journal, and learn how space technology helps us explore the universe and impacts our lives on earth.

Times: 4:30-6:00; Thursdays - Nov. 1– Dec. 13, no class on November 22

Cost: \$175.00

Class Limit: 2-8 students

Instructors

Rebekah Simon is the owner and director of CLC. She earned her degree in education from Smith College and has taught in public, charter, and independent schools. Rebekah specializes in individualized education, working with families to create customized programs that meet their goals.

Heather Crandall spent much of her childhood mushing dogs, playing sports, and riding horses in the interior of Alaska. Heather graduated from the University of Alaska with a degree in education and has been teaching ever since. Working at CLC allows Heather to combine exploring new things with her love for teaching.
