

Colorado Learning Connections Fall Math Workshop

MindBlazers Math

MindBlazers Math will strengthen your student's problem solving and logical reasoning skills. Students will be encouraged to think outside the box as they use critical thinking to solve problems individually and in groups.

MindBlazers Math

Grades: 2-6

3:30pm-4:30pm Mondays, Sept. 26th - Nov. 28th

Cost: \$200

- provides challenge beyond the regular school curriculum
- strengthens creative problem solving and logic reasoning skills
- further develops high-achieving students' intellect in math
- helps students excel in national math competitions

Noetic Math Contest

Grades: 1-5

Oct. 17th-20th

Contest Only: \$30 Contest and MindBlazers Math: \$210 (a \$20 savings!)

Students are also invited to participate in the Noetic Learning Math Contest for Grades 1-5. Past CLC participants have placed top in the nation! Come put your math skills to the test!

This is a challenge math workshop. In order to get the most out of the workshop students should have math skills at or above grade level. If you're not sure whether this would be a good workshop for your child, please don't hesitate to call CLC directly.
